Aug. 3, 2013, F2F meeting

Brief report of the Aug.1 IBR meeting

- IBR recognized:
 - ✓ Starting in spring 2014, the onsite construction work will start. At some time, in 2014, we need a lot of man power (researchers, students, engineers, ..) onsite.
 - ✓ At some point, we have to start discussing the commissioning and data taking shift issues as well.
- ➔ We will have (more) detailed discussions of the schedule and manpower issues of the onsite construction at the next F2F meeting.
- ➔ We will start discussing the commissioning and data taking shift issues at the next F2F meeting.

Next F2F meeting

- Dates: Feb.13(Thu)-15(Sat), 2014
- Venue: ICRR (@Kashiwa)
