

If you would like to go to the North exit from the Main (South) exit side of Toyama station, the underpass is the shortest way.

underpass information

From the south exit

The south exit area is now under construction.

The underpass entrance is in between the south exit and MARIER.

The entrance is on your left hand side.

Keep going...

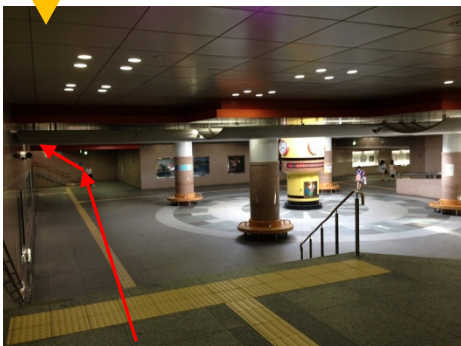

Go straight.

Turn to the right when you get to the underpass.

Go downstairs.

You will get to this place and go along the arrow.

Go upstairs.

Turn to the right and

You will find the North exit.
