- Apr 3, 2019: Referee reports arrived
- Apr 12, 2019: Revised manuscript submitted
resubmitted manuscript available at [JGW-P1809289](https://arxiv.org/abs/1904.0289)
- Thank you very much for your help!

Referee comments

- Updated status of ETMY?
- Seismic during Phase 1 unusual?
- Suspects for unexpected time delay in OLTF?
- Why inner shield (8K) below IM temperature (16K)?
- Glossary for acronyms, more explanations for technical terms
