

Moved to Caltech

Yuta Michimura

LIGO Laboratory, California Institute of Technology

yuta@caltech.edu

RESCEU, University of Tokyo

michimura@phys.s.u-tokyo.ac.jp

My Move

- Previous position
 - Department of Physics, University of Tokyo
 - Assistant Professor
- Current position
 - LIGO Laboratory, California Institute of Technology
 - Research Scientist
 - RESCEU, University of Tokyo
 - Visiting Researcher

My Works

- KAGRA interferometer instrumentation
- KAGRA sensitivity design and estimation
- Axion and vector dark matter search with KAGRA
- Balanced homodyne experiment at Caltech 40m **NEW**
 - Commissioning
- R&D for LIGO Voyager **NEW**
 - Silicon, sensitivity calculations, birefringence
- Axion search with A+ **NEW**
